**Sub:-** Corporate announcement regarding updation on Mining & Reality Project

Dear Sir's

This refers to the above and we need to inform the shareholders on the subject referred above as under:-

1. That Board of Directors of your company had held a virtual meeting via Zoom. Your Management incorporated two separate teams each for the Kaprda (Jodhpur) site **{Team K}** and Sumerpur (Pali) **{Team S}**.
2. That **Team K** headed by Mr. Subhash Goyal (Director of the Company) visited the Kaprda Mining site to accelerate the existing business of granite at the mines. Multifarious consultation meetings and detailed discussions are being held with various national and international mining experts on and off site. The work has been started at the site. A detailed report of benchmarks to be achieved for Dec 2021, March 2022 and March 2023 along with action plan to achieve these benchmarks will be submitted in next board meeting by the **Team K**.
3. That **Team S** headed by Mr. Gurender Singh Johal (Director of the Company) visited the Sumerpur (Pali) under the guidelines of company's new business expansion policy. The site to build the reality project under Pradhan Mantri/ Mukhya Mantri Awas Yojana (affordable houses) as group housing for Indian Public of different income groups has been finalised. The roadmap for developing this land to execute the building plan and action plan for achievement of targets well in time will be submitted in next board meeting by **Team S**.
4. That Both the teams are extremely positive and hopeful about their respective projects and found them very much remunerative and money spinning according to the post COVID market scenario.

You are requested to kindly take note of the same.

Thanking You,  
Yours Faithfully,  
For Vikas Proppant & Granite Limited
